Office of the Ohio Consumers' Counsel
"Your Residential Utility Consumer Advocate"

www.pickocc.org

The Office of the Ohio Consumers' Counsel (OCC), the residential utility consumer advocate, represents the interests of 4.5 million households in proceedings before state and federal regulators and in the courts. The state agency also educates consumers about electric, natural gas, telephone and water issues.

The OCC is an equal opportunity employer and provider of services. For more information, please visit the OCC website at www.pickocc.org.
