TELEPHONE LIFELINE PROGRAMS IN OHIO

Lifeline programs provide financial assistance to low-income residents and help ensure that they can afford telephone service, either through a traditional wireline company or through a qualified wireless provider. Eligible customers must choose to get Lifeline service from **only one company per household** and only one line per household. Traditional home telephone Lifeline programs provide discounts when establishing service, lower monthly service charges and special payment arrangements.

The Office of the Ohio Consumers' Counsel (OCC), your residential utility consumer advocate, offers the following information about Lifeline programs, including benefits, restrictions, qualification guidelines and how to apply.

- ▶ Supplemental Nutrition Assistance Program (SNAP);
- ▶ Medicaid;
- ▶ Supplemental Security Income (SSI);
- ▶ Federal Public Housing Assistance (FPHA) or Section 8; or
