The Community Action Partnership of the Greater Dayton Area administers the program for Ohio counties served by Vectren. Eligible customers must have an annual family income at or below 300 percent of the Federal Poverty Guidelines. Once qualified, customers

will receive an energy audit that can improve your energy efficiency. Interested customers should contact the Community Action Partnership at 1-800-617-2673.

Taking steps to improve energy efficiency is a smart investment. Vectren's programs could save you money on your natural gas bills. See more smart energy tips at the Office of the Ohio Consumers' Counsel's website, www.occ.ohio.gov/smartenergy.
